### UNDER OFFER BY TIM COOPER!

An award-winning architectural masterpiece beckons on the golden sands of Dalyellup Beach Estate. Awash with natural light and warm wood tones, thanks to the polished marri floors which adorn the living areas and the soaring ceilings throughout, it boasts panoramic, 180-degree ocean views and offers an abundance of effortless living and entertaining areas to soak up and enjoy.

When it's time to unplug and unwind, retreat to one of the five-bedroom sanctuaries. The sprawling master suite is where you'll wake to the soothing sounds of the ocean and start your day with a coffee on your private beachfront balcony. Complemented by a sitting area, a contemporary ensuite with a double shower, freestanding bath and wall-mounted TV, there's also a deluxe his & her walk-in robe, sure to make you the envy of everyone. As well, benefit from other superior features, including two more living zones on each level (and one with a kitchenette), under floor heating to all three bathrooms, reverse cycle air conditioning, and a full suite of appliances.
