LIFESTYLE PLUS

Have you been dreaming of the ultimate tree change- A peaceful retreat to call your forever home- Then look no more as this beautifully presented rural property ticks all the boxes.

Located in an established semi-rural setting on two hectares of land this picturesque and quaint cottage has three bedrooms, two bathrooms and is surrounded by three-metre-wide verandahs.

Built in rendered block construction from blocks made onsite from gravel on the property.

A large 9x6m powered shed constructed in the same rendered block design as the home has the convenience of a toilet & sink, potentially making this a dwelling that could easily be
