

7 Brooking Place Australind, WA

LIVE THE HIGH LIFE!! (LITERALLY)

Situated in a quiet Cul-de-sac, this unique block is elevated and would suit an individually designed home.

A "Queenslander" style residence could be the perfect match for this undulating block and would be complemented by the existing home next door.

Comprising of a generous 823m², this land has panoramic views across the Australind town site to the West and over the hills to the East making this a prime opportunity all year round to take in the beauty Mother Nature creates with her picturesque sunrises & sunsets.

Conveniently located less than one kilometre from schools, shops, medical facilities and the idyllic Leschenault Inlet.

The estuary is waiting for you packed with an abundance of crabs, so be quick to snap up t
