Beachside Style & Elegance

Located in Lakewood Shores Estate, this 2017-built WA Country Builders Home is looking for a new family. Occupying an elevated position, you will enjoy views over the Valentine Hill and be the first to catch a cooling sea breeze.

Come inside the wide front door and you will find:

- Wide entry foyer with a door into the garage & a short staircase leading you into the home.
- A good-sized home theatre complete with projector and movie screen, perfect for escaping the hustle and bustle of the rest of the house.
- The kitchen is finished with stone benchtops, white cupboards and the white subway tiles provide a fresh modern look. An extra wide oven, gas cooktop and plenty of overhead storage will impress the chef. A large breakfast bar provides the perfect spot for casual dining or an after-work drink. The clever design allows for an extra-large fridge in a recess
