Billabong Hotel/Motel and Fuel - Freehold and Business

The Billabong Homestead Hotel/Motel/Fuel is conceivably the best stopover or home away from home, with quality accommodation, great food, fully licenced hotel and fuel to keep you on the go at the right price.

You can also park your caravan right next to the hotel on the caravan park with full amenities. The Billabong is about to expand their facilities with a dual station for fast charging of electric cars, to compliment the existing power outlet.

All in all, the property is the best facility on this 600km stretch of Northwest Coast Highway.

All of the underground infrastructure is in place to accommodate more motel units, including plumbing, wiring & effluent disposal. If an offer was accepted now, a new owner would
