Ready for a Reno!

If you are looking for a project, this home has good foundations and is looking for a new owner to renovate and bring it back to life!

Built in 1964, you can tell that back in the day this brick and tile home was something special - with good bones, ornate ceilings, timber cabinetry and a retro kitchen, there is plenty of opportunity return this home to its former glory.

Step inside and you will find:

- Good sized dining area, flooded with natural light from a large window.
- Generous master bedroom at the front of the house with a large window overlooking the front yard. There is plenty of space to add built in wardrobes.
- At the back of the home is a utility area which serves as a laundry, with plenty of storage, trough, room for the washing machine and the remnants of the "old copper" & a separat
